

PRIDE MOUNTAIN VINEYARDS

2011 RESERVE CABERNET SAUVIGNON

Featuring the intensity and ripeness that have come to be the hallmark of our wines and a bright acidity that sparkles on the palate, this wine is a stunner. Complex flavors of cedar, black cherry, boysenberry, crème de cassis and pencil shavings make for a multi-layered experience on the palate, along with a rich, dense texture and weighty finish.

In this vintage, Rock Arch cabernet sauvignon, which has been the traditional source of our Reserve Cabernet over the years, has been rounded out with 9% Jim's Vineyard cabernet sauvignon (a younger vineyard planted from our Rock Arch budwood), 9% Carolyn's Vineyard Clone 337 cabernet sauvignon and 7% petit verdot.
