

PRIDE MOUNTAIN VINEYARDS

2023 RESERVE CABERNET SAUVIGNON

The 2023 Reserve Cabernet Sauvignon is an exuberant wine balancing power and refinement. Building upon the legacy of our Rock Arch block of cabernet that was planted in 1980 and has always contributed to our Reserve Cab, the 2023 benefits as always from the depth and complexity provided by those 45-year-old vines, but it is further elevated by the dark-fruit intensity coming from our 12-year-old blocks cultivated from Rock Arch cuttings. Aromas are dominated by plum, mulberry and black currant, that eventually yield to cigar box, sage and graphite. The harmony of fruit and savory holds true on the palate as the intense black fruit thrums with a crushed rock minerality. The supple texture and fruit are braced by a velvety tannin structure to create a finish that stretches on and on.
