

PRIDE MOUNTAIN VINEYARDS

2024 SYRAH

Cool climate Syrah kissed with a bit of California sunshine is a beautiful thing. At first our 2024 Syrah is all raspberries and blueberries framed with touches of rosemary and black pepper. The fruit further resolves to fresh, perfectly ripe blackberries, while the savoriness unfurls to enticing nuances of charcuterie, thyme, and subtle brown spice. The tension between the pretty fruit and intriguing savoriness along with the energy of the finish make this varietal syrah as perfectly suited for your most sophisticated, main-dish recipe as it is for a relaxing summer BBQ in your back yard.
