

# PRIDE MOUNTAIN VINEYARDS

## 2024 VINTNER SELECT CHARDONNAY

Our 2024 Vintner Select Chardonnay is everything we aim for when crafting this wine. By approaching our estate grapes with the same attention and care as those for our Napa Valley Chardonnay, we can make a wine that is true to its mountain upbringing. Candied lime zest and fresh apricot aromas pour out of the glass. On the palate, a subtle richness, owing to our copious sunshine and slower ripening, gives way to a bright line of tension and minerality that guides this wine through to a long, refreshing finish. Highlighted by an intriguing salinity, nuanced aromas of fresh sage, Red Bartlett pear and honeycomb play along wonderfully with the slightly more structured style of this mountain wine.
