

PRIDE MOUNTAIN VINEYARDS

2017 VINTNER SELECT CABERNET SAUVIGNON

This 100% cabernet wine is both opulent and dense, with extracted flavors of blackberry, blueberry, cassis, mocha, and a touch of freshly crushed mint. The velvety tannins are present both up-front and throughout the lengthy finish, while the midpalate is round, opaque and silky.

While our Reserve Cab is selected to have as much structure as possible with a small amount of petit verdot contributing in this regard, the goal for the VS Cab each vintage is to produce a more feminine wine that shows off pure cabernet flavors in a smoother more silky style without sacrificing the weight and viscosity we love in our mountain reds. The VS Cab acquires this elegant profile from cabernet sauvignon clone 337 that typically makes up at least 80% of the blend. Production level of the VS Cab is in the 500 to 700 case range each vintage in comparison to 1500+ cases of Reserve Cab and 6000+ cases of Pride Cab.
